DEPARTMENTS

- 1 Emphasis**
- 42 Digest**

COVER—The Defense Fuel Supply Center ensures that the Department of Defense gets the petroleum, oils, and lubricants it needs to sustain our defense forces. The center competes in the world market for reliable sources of fuel at reasonable prices. The story beginning on page 32 explains how the Department's fuel needs are met. The cover photo, courtesy of the American Petroleum Institute, shows an off-shore drilling rig at work supplying crude.

Army Logistician (ISSN 0004-2528) is published bimonthly by Headquarters, Department of the Army, at the U.S. Army Logistics Management College (ALMC), Fort Lee, VA 23801-6044. □ The purpose of Army Logistician is to publish timely, authoritative information and to disseminate professional knowledge and information for Department of the Army personnel in order to cultivate and enhance their professional development. □ Articles are the views of the authors and should not be interpreted as official opinion of the Department of the Army or of any branch, command, or agency of the Army and do not change or supercede information presented in other official Army publications. □ Material may be reprinted, provided credit is given to Army Logistician and to the author(s), except where copyright is indicated. □ Articles, photographs, and news items of interest on all facets of Army logistics are solicited. Direct communication is authorized to: Editor, Army Logistician, ALMC, Fort Lee, VA 23801-6044 (AUTOVON 687-4342, commercial [804] 734-4342). □ Private subscriptions and rates are available from Superintendent of Documents, U.S. Government Printing Office, Washington, DC 20402. □ Second-class official mail postage paid at Petersburg, Virginia, and additional mailing offices. Postmaster: Send address changes to Editor, Army Logistician, ALMC, Fort Lee, VA 23801-6044. □ DISTRIBUTION RESTRICTION: Approved for public release; distribution is unlimited.
